Please Include the Complete Jack Number
when filling out orders for Adds, Moves or Deletes

* The complete jack number is: 090A029A

In large rooms with many jacks, or in cases where a jack number is not available, please include a map with your order.

If you do not have a building map from Facilities Maintenance and Service, a hand-drawn sketch of the room is acceptable.

090 is Rainier's building number

The A = closet A
Closets are generally labeled from the first floor up.

Voice jacks end with the letter A. Data jacks, used for Ethernet or AppleTalk connections, are marked B.

Modems and fax machines generally use voice jacks.
